

ACCESSING YOUR MAILBOX

Thank you for choosing Lumos Networks Voicemail Messaging.

From your home or office phone, dial your own number or the pilot number you've been given.

Enter your security code.

If you hear your greeting first, press **#** and then enter your security code.

If dialing from a phone away from your office or home, you can either dial your number or the pilot number. When prompted for your mailbox number, enter your 10-digit telephone number associated with your voicemail service. Then enter your security code.

You may return to the main menu at any time while in your mailbox by pressing *** 1**
